Notes:

Our estimates are produced by a highly informed and well educated team that is grounded by real experience. However, due to differing methods in construction, anomalies will occur and it is the client's responsibility to ensure that the quantities produced are correct and conform to the adopted build method prior to the release of the data supplied. All estimates are produced in accordance with the Building Code of Australia. We disclaim any liability for loss or damage arising from errors or omissions in the information provided. All roof layouts over 35 degrees, zero minutes [700 rise, 1000 run] must be verified by a certified and practising engineer.
